
BeEngaged Early bird session – 9th May 2023 at 7.00am

Fiona Ewing

“Protecting Mental Wellbeing at Work & Mental Wellbeing by Design Process”

*“Following on from Dr Hillary Bennetts session on wellbeing and psychological safety Fiona Ewing will share with us the work she is doing with Hillary and the Business Leaders H&S Forum around **Protecting Mental Wellbeing At Work** and the **Mental Wellbeing By Design Process**. You’ll hear about the project Fiona is currently working on in manufacturing and how it could apply to your business.”*

Novotel Hotel - 9th May 2023
Cnr Hobson & Leach St
New Plymouth 4312

7.00am - 7.30am Coffee & Scones
7.30am - 9.00am Fiona Ewing

Speaker : Fiona Ewing

An experienced executive who focuses on successful work and business improvement to secure great outcomes for people and businesses.

Whatever the industry sector her focus is on the work and the people. Engaging through building trust and relationships at all levels, addressing critical risk areas, advocating for worker engagement, influencing and encouraging a positive, learning culture in organisations.

Most recent role involved working with key stakeholders in the forest industry; influencing them to shift their thinking from compliance to care, capacity and capability to achieve successful work.

Previous roles in New Zealand have been within the energy sector.

Currently working with the Business Leaders H&S Forum leading a project on mentally healthy work in manufacturing.

Chartered Member of the IoD and IOSH
