

Contractor Management & Totika

Presented by CHASNZ - Jon Harper Slade

Following The BeSafe Taranaki/CHASNZ Working Session last week on **Contractor Management and Totika**, Jon Harper Slade has shared a set of videos for anyone who wasn't able to attend.

The feedback from participants was overwhelmingly positive, the session covered effective management of this area, setting appropriate boundaries, and understanding the requirements of New Zealand law.

Feel free to share with any company that holds an interest in this area.

**The guest-speakers presentations are ready
to read!**

Last week we hosted a full-day Masterclass event on Contractor Health and Safety for the Construction Sector with 5 expert guest-speakers.

Thank you to our wonderful audience of over 140 people and a very special thank you to Sue, Rian, Fiona, Jodie and Paaka.

We had an amazing day with you all.

Sue Bottrell – Lawyer and Chartered Safety Professional,
ContractorSAFE

Sue Bottrell is a practicing lawyer in safety and is a leading legal expert in the management of contractor safety.

If you'd like to partner with Sue Bottrell please visit her website. We may be bias, however she is a rare find in the Contractor Safety Management portfolio - her expertise in this field is like no other, and she is a great human. Sue provides her clients with the most accurate and practical advice in respect of their liability for contractor safety management.

Photo featuring: Sue Bottrell and Jon Harper-Slade (GM Health and Innovation at CHASNZ).
